Hit the road Jack. Don't you come back no more, no more, no more, no more.

Am G F E7 Am G F E7
Hit the road Jack and don't you come back no more.

Oh woman, oh woman, don't treat me so mean,

Am G F E7
You're the meanest woman I've ever seen.

Am G F E7
I guess if you say so

Am G F E7
I'll have to pack my things and go.

Hit the road Jack and don't you come back no more, no more, no more, no more.

Hit the road Jack and don't you come back no more.

Now baby, listen baby, don't-a treat me this-a way
For I'll be back on my feet some day.

Don't care if you do 'cause it's understood
you ain't got no money you just ain't no good.

Well, I guess if you say so
I'd have to pack my things and go. (That's right)

Hit the road Jack and don't you come back no more, no more, no more, no more.

Hit the road Jack and don't you come back no more.

(Repeat and fade)
Don't you come back no more.

(B--2-----2-----)

It's not time to make a change, just relax and take it easy
You're still young that's your fault
there's so much you have to know
Find a girl, settle down, if you want to, you can marry
Look at me, I am old, but I'm happy
I was once like you are now, and I know that its not easy
to be calm, when you've found something going on
But take your time, think a lot, why think of everything you've got
For you will still be here tomorrow, but your dreams may not

G-C riff G-C riff

CHORUS #1:

How can I try to explain? when I do he turns away again
it's always been the same, same old story
>From the moment I could talk I was ordered to listen
now there's a way and I know I have to go away
and I know I have to go

(away) (away)
It's not time to make a change, just sit down and take it slowly
(I) (know) (I have)
You're still young, that's your fault, there's so much you have
(to make this)
to go through
(decision) (alone)
Find a girl, settle down, if you want to you can marry
(no)
Look at me, I am old, but I'm happy

(stay) (stay, stay)
All the times that I cried, keeping all the things I knew inside
(why?) (must) (you go and make this de-
cision) (alone?)
It's hard, but it's harder to ignore it
If they were right, I'd agree, but it's them they know, not me
Now there's a way, and I know that I have to go away
I know I have to go

So wake me up when it's all over
When I'm wiser and I'm older
All this time I was finding myself
And I didn't know I was lost
So wake me up when it's all over

The River – Bruce Springsteen

Em **G** **D** **C**
I come from down in the valley Where mister, when you're young
Em **G C** **G**
They bring you up to do like your daddy done
C **G** **D** **Em**
Me and Mary we met in high school When she was just seventeen

We'd go down to the river And into the river we'd dive

Then I got Mary pregnant And man, that was all she wrote
Em **G** **C** **G**

We went down to the courthouse And the judge put it all to rest

All Along The Watchtower – Jimi Hendrix

Cm A# G# A# - ponavlja

"There must be some kind of way out of here,"
said the joker to the thief,
"There's too much confusion,
I can't get no relief.

Businessmen, they drink my wine,
plowmen dig my earth,
None of them along the line
know what any of it is worth."

"No reason to get excited,"
the thief, he kindly spoke,
"There are many here among us
who feel that life is but a joke.
But you and I, we've been through that,
and this is not our fate,
So let us not talk falsely now,
the hour is getting late."

All along the watchtower,
princes kept the view
While all the women came and went,
barefoot servants, too.

Outside in the distance
a wildcat did growl,
Two riders were approaching,
the wind began to howl

The Sound Of Silence – Simon & Garfunkel

Am G
Hello darkness, my old friend,
Am
I've come to talk with you again,
F C
Because a vision softly creeping,
F C
Left it's seeds while I was sleeping,
F C
And the vision that was planted in my brain
Am
Still remains
G Am
Within the sound of silence.

G
In restless dreams I walked alone
Am
Narrow streets of cobblestone,
F C
'neath the halo of a street lamp,
F C
I turned my collar to the cold and damp
F C
When my eyes were stabbed by the flash of a neon light
Am
That split the night
G Am
And touched the sound of silence.

G
And in the naked light I saw
Am
Ten thousand people, maybe more.
F C
People talking without speaking,
F C
People hearing without listening,
F C
People writing songs that voices never share
Am
And no one dare
G Am
Disturb the sound of silence.

Fools said i, you do not know
Silence like a cancer grows.
Hear my words that I might teach you,
Take my arms that I might reach you.
But my words like silent raindrops fell,
And echoed
In the wells of silence

And the people bowed and prayed
To the neon God they made.
And the sign flashed out it's warning,
In the words that it was forming.
And the sign said, the words of the prophets

Are written on the subway walls
And tenement halls.
And whisper'd in the sounds of silence.

Well, I heard ole Neil put her down
Well, I hope Neil Young will remember
A Southern man don't need him around anyhow

Sweet home Alabama
Where the skies are so blue
Sweet Home Alabama
Lord, I'm coming home to you

In Birmingham they love the governor
Now we all did what we could do
Now Watergate does not bother me
Does your conscience bother you?
Tell the truth

Sweet home Alabama
Where the skies are so blue
Sweet Home Alabama
Lord, I'm coming home to you
Here I come Alabama

Now Muscle Shoals has got the Swappers
And they've been known to pick a song or two
Lord they get me off so much
They pick me up when I'm feeling blue
Now how about you?

Sweet home Alabama
Where the skies are so blue
Sweet Home Alabama
Lord, I'm coming home to you

Sweet home Alabama
Oh sweet home baby
Where the skies are so blue

She's a good girl, loves her mama.
Loves Je- sus, and America too.
Shes a good girl, crazy 'bout Elvis
Loves hor- ses, and her boy-friend too, yeah yeah.

It's a long day living in Reseda.
There's a free- way runnin' through the yard.
I'm a bad boy 'cause I don't even miss her.
I'm a bad boy for breakin' her heart.

And I'm free,
Free fallin', fallin'
And I'm free,
Free fallin', fallin'

All the vam- pires walkin' through the valley.
They move west down Ventura Boule- vard.
And all the bad boys are standing in the shadows.
And the good girls are home with broken hearts.

And I'm free,
Free fallin', fallin'
And I'm free,
Free fallin', fallin'

Free fallin' now. Free fallin', now
Free fallin' now. Free fallin', now
Free fallin' now. Free fallin', now
Free fallin' now. Free fallin', now

I wanna glide down over Mul- holland.
I wanna write her, her name in the sky.
I wanna free fall out into nothin'.
Oh, I'm gonna leave this, this world for a while.

Now I'm free,
Free fallin', fallin'
Now I'm free,
Free fallin', fallin'

And I'm free,
Free fallin', fallin'
Now I'm free,

Now and then I think of when we were together
Like when you said you felt so happy you could die
Told myself that you were right for me
But felt so lonely in your company
But that was love and it's an ache I still remember

Am, G, Am, G, Am, G, Am, G

You can get addicted to a certain kind of sadness
Like resignation to the end
Always the end
So when we found that we could not make sense
Well you said that we would still be friends
But I'll admit that I was glad that it was over

Am G F G

But you didn't have to cut me off
Make out like it never happened
And that we were nothing
And I don't even need your love
But you treat me like a stranger
And that feels so rough
You didn't have to stoop so low
Have your friends collect your records
And then change your number
I guess that I don't need that though
Now you're just somebody that I used to know

G **C** **G** **D** **C** **D**
And you shook me all night long
And you shook me all night long

Working double time on the seduction line
She was one of a kind, she's just mine, all mine
She wanted no applause, just a nother course
Made a meal out of me and came back for more

Had to cool me down to take another round,
Now I'm back in the ring to take another swing.
'Cause the walls were shaking, the earth was quaking,
My mind was aching, and]we were making it.

And you shook me all night long x4

Turn the Page – Bob Seger

you can think about the woman, or the girl you knew the night before

you walk into a restaraunt, strung out from the road
and you feel the eyes upon you, as your shaking off the cold
you pretend it doesn't bother you, but you just want to explode

sometimes you hear 'em talkin', other times you can't
all the same 'ole cliché's is that a woman or a man
and you always seem outnumbered, you dare not make a stand

CHORUS

out there in the spotlight, your a million miles away
every ounce of energy, you try to give away
and the sweat pours from your body, like the music that you play

later on that evening, as you lie awake in bed
echos of the amplifiers, ringin in your head
and you smoke the days last cigarette, remembering what you said

And time keeps draggin' on

But that train keeps a-rollin'

A (Strum once only) **E**

On down to San Antone

When I was just a baby

My Mama told me, "Son

Always be a good boy

Don't ever play with guns"

But I shot a man in Reno

Just to watch him die

When I hear that whistle blowin'

I hang my head and cry

I bet there's rich folks eatin'

In a fancy dining car

They're probably drinkin' coffee

And smokin' big cigars

But I know I had it comin'

I know I can't be free

But those people keep a-movin'

And that's what tortures me

Well, if they freed me from this prison

If that railroad train was mine

I bet I'd move it on a little

Farther down the line

Far from Folsom Prison

That's where I want to stay

And I'd let that lonesome whistle

Blow my blues away

Rolling In The Deep – Adele – capo 3

Am **Em**
There's a fire starting in my heart,
G **Em** **G**
Reaching a fever pitch and it's bringing me out the dark

Don't underestimate the things that I will do.
